Floor Window

Poster frame for floors.
Suitable for almost any floor type,
including carpets.

Size shown is 4xA4 wide 297 x 841mm

Effective & Easy to Use
Never has floor advertising been so effective and so easy to use as with the FloorWindow® exchangeable poster display.

Routable
The FloorWindow® E makes it even easier to update graphics. A stiffer redesigned construction allows for easy handling and storage.

Slip Safety Certified
All FloorWindow®s are tested and certified by the NFSI and BSA for slip-resistance. FloorWindow® ClearGrip™ was tested according to the ASTM® and BSA standards and was executed in both dry and wet conditions.

FloorFix™ Anti-slip Grid
FloorFix™ grid for an optimal fixation on most flat and smooth floor surfaces. The grid allows for easy repositioning of the FloorWindow® without damaging the floor.

Reactivate your Campaign
With the emotional impact of your poster in a FloorWindow®, you reactivate your advertising campaign right where it matters the most!

ClearGrip™ Scratch Resistant Surface
The FloorWindow®s ClearGrip™ protective window is designed with both clarity and safety in mind. ADA compliant, NFSI certified and maximum protection for your graphics.

Customisable
The FloorWindow® can be customised with a coloured frame and up to fullcolour screenprinting in the window. The unique extended window protects the frame colour from dirt and scuffs. Available from 500 pieces.
